Cllr. Taylor declared an interest. Comments from the Parish Council to Planning, objecting to ZE26/00402/FUL on the grounds of the danger of the access from the A170 and the current

lack of ownership by the developers of the proposed exit from the site via Carr Lane, were submitted. The appalling state of the surface of Carr Lane and its difficult junction with the A170 was also discussed. On the matter of ZE26/00381/LBC, there was no objection in principle.

Objections to ZE26/00362/FUL were sent on the grounds of the danger of access from the A170, which currently has a 40mph speed limit and poor line of sight, through a narrow gateway, especially with the proposed electronically operated gated entrance. General comments were made upon the poor quality of the application in terms of addressing problems envisaged.
